

# metro light rail

METRO light rail is an affordable public transportation service that operates in the greater Phoenix-area. With stops convenient to the Expo and Finish Line Festival, and a stop within a mile of the Start, light rail is a great option for race participants and spectators. Read on for details on race day service and how to best utilize light rail throughout race weekend, or visit [www.metrolightrail.org](http://www.metrolightrail.org).

## PARK-AND-RIDE LOCATIONS

There are eight park-and-ride locations (see highlighted stations on adjacent map) located along the 20-mile light rail line. Park-and-rides offer free parking and are monitored by security cameras and personnel. No overnight parking is allowed; cars left in the lots after the end of the METRO service day can be ticketed or towed. **Please Note: the park-and-rides at 19th Ave./Montebello, 19th Ave./Camelback and Central Ave./Camelback will be without service until after 10am on race day.**

## HOURS OF SERVICE

**During the week**, trains run from approximately 4:40 am to midnight. On Friday nights, the last full trip begins at 2 am. Trains run every 10 minutes from 6 am to 7 pm; all other hours, every 20 minutes.

**On weekends**, trains run from 5 am to midnight. On Saturday night, the last full trip begins at 2 am. Trains run every 15 minutes between 6 am and 7 pm on Saturdays; all other hours, and all day on Sundays, every 20 minutes.

## RACE DAY SERVICE

**Please Note: Light rail stations and park-and-rides north of McDowell Rd. will be without service until approximately 10 am on race day, or until the race has cleared the course.** The rest of the line – from McDowell/Central Avenue to Main/Sycamore – will be operating with regular service, with additional support to appropriately accommodate the event.

Select bus routes in Phoenix, Scottsdale and Tempe will also be affected. If you are planning on riding the bus on race day, visit [valleymetro.org](http://valleymetro.org) or call customer service at (602) 253-5000 for route detour updates.

Ahhhh... the excitement of the Start!

## RACE WEEKEND STOPS

- Visit the METRO light rail booth at the Expo or [metrolightrail.org](http://metrolightrail.org) for more information.

### HEALTH & FITNESS EXPO, 3rd Street/Washington (westbound) or 3rd Street/Jefferson (eastbound) Station

- The Phoenix Convention Center is north of Jefferson, between Monroe and Washington and 3rd and 5th Street.

### START LINE, Washington/Central Ave. (westbound) or Jefferson/1st Ave. (eastbound) Station

- The Start area is approximately 1 mile west of these stations. After getting off at either station, follow Washington Street west for 1 mile (a great pre-race warm-up).

### FINISH LINE, Veteran's Way/College Avenue Station

- The Finish area is 1/2 mile east of this station. After enjoying the Finish festivities, walk towards Wells Fargo Arena then past Sun Devil Stadium to catch a train. You can also use this station to get to and from the Kids Race.
